A Paradise for Artists

Foreword

"Nursing is an art, the finest of the Fine Arts, and if an art, it requires as hard a preparation as any painter's or sculptor's work. For what is having to do with dead canvas or cold marble, compared to having to do with living body?"

FLORENCE NIGHTINGALE, *Notes on Nursing*

Throughout our years here at Charity, we learn that of all forms of art, nursing is the most rewarding. In this age of modern living and modern nursing, we turned to *Modern Art* for the theme of our 1954 *Caps and Capes*. This theme is something new in yearbooks at Charity and we, the staff, hope you will find it an interesting and enjoyable one.

"As the sun colors flowers, so does art color life."

THE PLEASURES OF LIFE

"All passes, Art alone enduring stays to us."

Dedication

MISS LAURENCE BERNARD

Because she has gained our constant trust, affection and admiration as nurse, instructor and friend, because she has always been eager to lend a sympathetic ear and a helping hand, showing an unfailing interest in all the students, we proudly dedicate this 1954 *Caps and Capes* to MISS LAURENCE BERNARD. She has set an inspiring example in profession which we hope in some small measure to follow.

Appreciation

To Our Parents, who are such wonderful people, unceasingly encouraging and praising our efforts; always willing to help with our many problems; and never failing in their unselfish devotion to us; we wish to express our grateful appreciation, now and always.

Charity Hospital of Louisiana

HISTORICAL SKETCH OF HOSPITAL

In the year 1736 "l'hospital des pauvres de la Charite" was established through the bequest of a sailor named Jean Louis. The structure, known as St. John's Hospital, is heralded as the original Charity Hospital of New Orleans and is one of the oldest hospitals in the United States. This building was replaced by a second hospital which was devastated by a hurricane in 1779 and rebuilt later by a great philanthropist, Don Almonaster y Roxas, a Spanish nobleman.

An act of the legislature of the year 1813 may be considered the incorporation of the Charity Hospital as an institution of the State of Louisiana. During the years that followed, New Orleans grew rapidly and it was not long before a larger and better equipped institution was needed. A new hospital referred to at the time "as a model of hospital architecture of the nineteenth century" was built during the years 1832-1833. The Sisters of Charity have been caring for the patients of this institution by government authorization since 1834.

Charity Hospital School of Nursing

The Charity Hospital School of Nursing at New Orleans, a non-sectarian institution, was organized in 1814 by the Hospital Administrators and by the Sisters of Charity, who have been caring for the patients by the authorization of the government since 1834.

The school offers a three-year basic professional program leading to the diploma in nursing.

Post-graduate courses in Anesthesia and in Operating Room Technique and supplementary and affiliating courses make it possible for graduates and student nurses of other schools of nursing to share in the opportunities for instruction offered here.

The School of Nursing is approved by the Louisiana State Board of Nurse Examiners and is temporarily accredited by the National Nursing Accredited Service.

The present Nurses' Home has borne the name of Sister Stanislaus Hall since 1950. It was dedicated to the memory of Sister Stanislaus who was an "Angel of Mercy" at Charity Hospital in the true sense of the title. The building, fourteen stories high, was erected in 1939 and is considered one of the most beautiful in the states.

CHARITY HOSPITAL OF LOUISIANA

On the site of the century old structure the present Charity Hospital rose and was dedicated in 1939. Not only does the institution offer medical care to those in need, but stands as a great teaching center. The close relationship with Tulane and Louisiana State University Medical Schools renders it a center of scientific research and progress. It is a state-owned, non-sectarian, general hospital. The bed capacity of Charity is 3,488, and the daily average number of patients is 2,252.

The Charity Hospital of Louisiana is fully accredited by the American College of Surgeons and is approved by the Council of Education of the American Medical Association. Membership is held in the American Hospital Association and Louisiana Hospital Association.

Student Council

Charity's student government, known as Student Council, is composed of duly elected officers and representatives from each class. Through Council the students are allowed to share in the formulation and enforcement of certain rules and regulations, responsibility for which is delegated to them by the Administration. The student body at its official meetings is also given the privilege of expressing opinions and offering suggestions or recommendations on matters which affect the welfare and happiness of the students during their period of training.

Membership in Sigma Alpha Chi, honorary Sorority, is attained by students who have an average of 90 or above in theory, who are of good moral character and who have good school spirit and attitude. The aim of the organization is to stimulate interest in higher scholastic achievement, to encourage extra-curricular activity, both of an educational and cultural nature; to maintain the high standards of service and of moral character of the profession; and to incite in each member the desire to render optimum service to those in her care.

This year the 9-4-51 class exceeded all previous records of Sigma Alpha Chi members with a membership of nineteen.

In May, 1954, Sigma Alpha Chi sponsored a "Career Month at Charity," having leaders of different fields of nursing bring to the students information about all the nursing and specialties open to Charity's future graduates.

L.A.S.N.

The Louisiana Association of Student Nurses was organized in 1950, under the sponsorship of the state Nurses' Association. Since then this organization has matured and grown under guidance of capable leaders.

This year in the District Association Charity was well represented. The officers for 1954 elected from the Charity group were Anita Carter, President; Ellen Beach, Vice President; and Lillian Barre, Treasurer.

In the Charity school organization there were 82 members this year. Of these, twelve members were privileged to attend the National Student Nurses' Convention held in Chicago, April 26-30. Transportation was provided by the School for the officers of the Association from Charity, and to help those who were paying all their own expenses, the L.A.S.N. members sponsored hot dog sales and were able to contribute the necessary funds to pay the hotel bills of the other students attending.

Miss Laurence Bernard, to whom this book is dedicated, is the very capable and interested advisor for the Charity branch of L.A.S.N.

Many Charity students attended the State Convention held at the Jung Hotel here in N.O. last fall when Anita Canter was a candidate for State Vice President.

SOCIAL DANCE

"Shall we dance?"

None of these girls will ever have to decline this invitation. Under the able leadership of Miss Dixanne Lewis they learned to samba, rhumba, waltz, fox trot, jitterbug, and many other forms of dancing. Methinks Arthur Murray would find stiff competition among these rug-cutters.

"The Handicrafters keep busy!"

A new club at Charity this year was the Handicrafts Class held in the Assembly Room every Thursday at 7:00 p.m. Under the supervision of Mrs. Sabrier and the helpful instruction of Mrs. Cave and Mrs. Retif, the 50 members were kept busy making trays, leather purses, wallets, moccasins and reedwork.

"Say it with Music!"

This is the slogan that the Glee Club tries to maintain throughout the school year at Charity. Under the very capable and enthusiastic direction of Mrs. Regina Walker, who has her Master's degree in music, the Glee Club has provided much entertainment in the past year for the patients, students and faculty. They also sang at the L.A.S.N. convention in a song-fest of entertainment provided by the combined Glee Clubs of New Orleans' nursing schools. This performance was so outstanding as to win the group an invitation to sing on a TV program for Civil Defense.

Other activities of the year included the annual Christmas caroling through the hospital, singing for the auxiliary workers' party, and working with the Dramatic Club to present a Christmas pageant.

They walked away with second place honors at Charity's Stunt Night with a choral number, entitled *"Say it With Music."*

Individuals of the group have also contributed their talent freely and willingly on many occasions for school programs.

The Athletic Club has as its purpose to develop sportsmanship and provide physical education and recreation for the students. It offers diversion from daily routine and allows students to become acquainted with others who have similiar interests. The Athletic Club had an active season of volleyball and basketball. One of the highlights of the season was the traditional Faculty vs. Students Basketball Game. This year (to prevent bloodshed) the game ended in a heated tie.

Coaches for the year were Miss Betty Zimmrman, Miss Ruby Novak and Miss Camille Barnes.

An outstanding religious organization here at Charity is the Catholic Sodality, which constantly helps students attain their goal by weekly meetings with prayers and discussions, keeping them even aware of their obligations to God, to their fellowmen, and to themselves.

Among some of the many activities of the Catholic Sodality this year were the Baby Party for Underprivileged Children at Christmas, the annual Retreat for all students, and the beautiful and impressive annual May Crowning.

The Sodatists' social highlight this year was a Christmas Dance in the Assembly Room of the Nurses' Home.

Two students, Judy Craige and Bea Chiniche, were also sent to the Marian Year Retreat in Chicago.

A Message from the CAPS and CAPES Staff

After months of planning and replanning, a few grey hairs, many headaches and several cases of writers' cramp, the Staff at last submits to you the 1954 *Caps and Capes.* It is with mingled feelings of pride and pleasure that we present this book to you, with the hope that we have fulfilled our mission and recorded for you a book of living memories of Charity.

The Staff takes time off for a well deserved break at their Staff Dinner before the Spring Formal.

The White Cap

PUBLISHED BY CHARITY HOSPITAL SCHOOL OF NURSING

NEW ORLEANS, LOUISIANA

Vol. 17 MAY, 1954 No. 2

Jerri Nichols, *Editor*

The *White Cap* completed another successful year during 1953-54, under the editorship of Miss Jerri Nichols, assisted by Miss Margot North.

Some of the interesting features included write-ups on the "Sweetheart," the formals, the Conventions, the Dental Clinic, Dr. Leckert's Office and the Accounting Department. Many photographs were used and all the issues were at least eight pages, some even more. A Baby Contest sponsored by the Staff went over well with the readers.

The Staff celebrated their successful season with their escorts at a dinner at the Court of Two Sisters before the Spring Formal.

An exchange of hot letters also burned up the press for a few issues.

As in the past, the "Tight Cap," a "take-off" on the "White Cap," was highly successful. To keep up its funds the staff sponsored several movies and hot dog sales. On the whole, the season was highly successful and quite stimulating for the staff.

Miss Student Nurse of New Orleans

MISS JOAN SIMMONS

Although she should be used to winning contests by this time, Joan Simmons was none-the-less elated at being selected "Miss Student Nurse of New Orleans" at a contest held on July 2 at Pontchartrain Beach.

Sponsored by Paramount-Gulf and Twentieth Century Fox in connection with the movie, "White Witch Doctor," the contest included three entries from each of the five schools of nursing in the city.

As prizes Joan received an airplane trip to Miami Beach, four days at the fabulous Saxony Hotel, a Susan Hayward trophy from Paramount-Gulf and Twentieth Century-Fox, a telegram from Susan Hayward, a $200 wardrobe from Maison Blanche, three attractive pieces of luggage from Rapp Trunk Store, and the Key to the City, presented by Commissioner Schiro.

The contest was filmed and shown at the Saenger Theater in the Paramount News along with the movie, *"White Witch Doctor."*

Charity's Beauty Court

MR. PAUL NINAS
Judge, Charity's Beauty Court

Mr. Paul Ninas, renowned artist and abstractionist of New Orleans, was the judge of Charity's Beauty Court of 1954. Mr. Ninas claims New Orleans as his home but during his lifetime has done enough traveling over the world to gain the title of "the Nomadic Artist of the French Quarter." Among some of the places he has lived and studied in are Turkey, West Indies, Vienna, Austria, Paris, North Africa, Dominica, and all of America. Mr. Ninas became a New Orleanian by choice however, having tasted Mississippi River water when he was a boy and finally returning here to live after nearly twenty years of traveling abroad. This artist who loves to keep a half dozen canvasses going at once, also rates professional classification in a half dozen allied fields. His studio is filled with the equipment for lithography, silk screen art, photography, and in his spare time he turns out "Ninas ware" in metal and pottery and applies his art to hand blocked silk screened textiles. Our thanks are extended to him for the time and interest he gave us in acting as judge for our beauty contest.
